May 28, 2021

Hello SBHC Members,

We poured over club surveys from 2016 & 2018; this tentative schedule was made based on popularity of those results.

The SB hiking trip committee has proposed the following **2021 – 2024 Hiking Club Trip Schedule:**

Oct 12-14, 2021: **Flagstaff, AZ.** We have 6.5 guides (one was a maybe).

Late April 2022: **Silver City, NM**

Early Oct 2022: **Bryce Canyon** National Park, Utah &
Red Canyon on Dixie National Forest Land (10+ miles N.W. from Bryce) &
Kodachrome Basin State Park (23 miles S.E. from Bryce)

April 2023: **Sedona, AZ**

October 2023: **Santa Fe, NM**

July 2024: **Glacier National Park, MT**

Signups have already begun for the Flagstaff trip this October: see the posting on the “Programs and Club Trips” page of the website. Details on future trips will be provided as we approach the departure dates.
