

**SaddleBrooke Hiking Club
Membership Application & Release
July 21, 2021**

Dear SaddleBrooke Hiking Club members,

The Membership Application and Release form is a very important document for our Club. It contains liability release language which protects the Club and all its members against legal action. The document was written 20 years ago and the Board felt it was time to engage the services of an attorney to review and update it. The new version of the Membership Application and Release form is posted to the website on the Forms page.

All members will need to sign this new form when you pay your membership dues for 2022. We will also have copies available at the Fall Picnic and Business meeting on October 29 at Catalina State Park.

Thanks for your cooperation in submitting the new form on a timely basis.
