VIDEOGRAPHER NEEDED

The Technology Committee chaired by Dave Corrigan with members Ruth Caldwell, Randy Park and Ken Wong has established a list of projects that includes videoing the club's programs and other presentations such as the annual Orientation to Hiking. The intent is to post these videos to YouTube so members and others who are not able to attend in person can view these events. We are looking for a volunteer who has experience in videography, the requisite equipment, and a willingness to help the club out in this arena. If you are interested, please contact Dave Corrigan at dave@daveandpam.com. Thank you!
