ARIZONA TRAIL WORK SESSION: WEDNESDAY, JAN. 18, 2023

We are having an Arizona trail maintenance work session on Wednesday, January 18th. The ATA would like us to remove the trail registry on the south end of Oracle State Park so we could really use some extra hands. We will also be clearing catclaw and fixing drainage issues. If you are interested in joining the group, please contact Seana Kobak (seanabk88@gmail.com) or Ray Peale (ray.peale@gmail.com).

We will meet at Mountain View at 7:30 and usually are back at the parking lot by 12:30 or 1:00. Bring water and a snack for the trail, but we will have treats and drinks after the work is finished. Tools will be provided by the ATA (Arizona Trail Association).

Thanks for your help and we hope everyone is well!

PROGRAM: HIKING AND EXPLORING THE FOUR CORNERS REGION
Wednesday, January 18, 2023 / 4:00 PM / HOA#1 Activity Center

Bob Shea will be our featured speaker at the Wednesday, January 18, 2023, SaddleBrooke Hiking Club meeting and program. His topic is "**Hiking and Exploring the Four Corners Region**". Start time is 4:00 PM.

He and his wife, Peggy, have been active members of SBHC since moving to SaddleBrooke in 2007. He has given four previous presentations to the club:

- Hiking the Inca Trail to Machu Pichu
- Hiking Oregon
- Hiking the Tour de Mont Blanc
- And most recently, Hiking and Photographing Western Wilderness Areas

The January presentation will highlight some of the many areas in the Four Corners region that may be of interest to hikers, backpackers, and photographers. Of course, he will show many of the excellent landscape images we have come to appreciate in his presentations for SBHC and the SaddleBrooke photography clubs.

Membership in SBHC is not a requirement to attend this presentation. Immediately following the program, participants are encouraged to meet in the Agave Lounge of the SaddleBrooke One clubhouse for an informal happy hour. *A reminder: parking is restricted on Galveston and Samaniego Streets adjacent to the Activity Center, so park in the lots above the Center if no spaces are available.*
